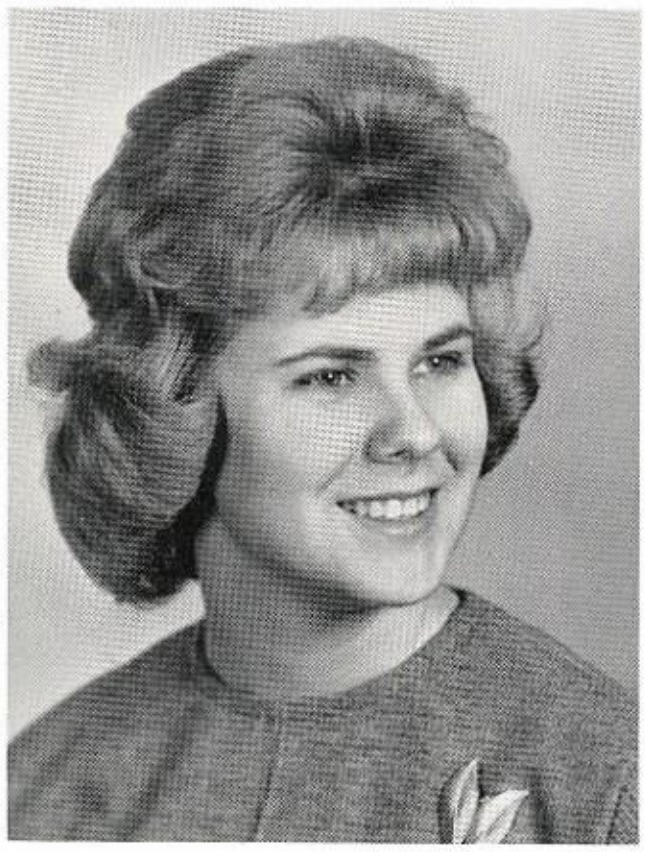
The

1964 EAGLE

Your Key to '64 . . .



The Publications Staff has worked many long hard hours to prepare for you a key that will unlock all of the many memories from the 1963-64 school year. We feel that we have accomplished this in the pages of the 1964 EAGLE.

This book brings back to life the numerous activities of the past year. We have strived to record vividly each phase of our school life. We worked, we played, we laughed, we cried. We shared headaches and heartaches, joys and achievements. We shared hundreds of unforgettable experiences.

The 1964 EAGLE is YOU--and your friends, and classmates, and teachers. We have tried to record your life at W-H as you lived it, day by day, for the last nine months. Without you, this annual would not have been possible.

In the distant future, your diploma will yellow with age, your classmates will slowly drift apart, your memories will gradually fade. When this occurs, it is our sincere hope that you will be able to thumb through the pages of the 1964 EAGLE, which we have so carefully prepared, and smilingly remember the wonderful year we have just completed as students at Wilmer-Hutchins High School.

Their Courage Will Long

November 22, 1963, was a tragic day that we shall never forget for as long as we shall live. The heart-breaking memories that terrible day will burn in our hearts forever. For on that day only a few miles from our small school, the President of the United States, John F. Kennedy, was assassinated. The governor of our great state of Texas, John Connally, was critically wounded. A Dallas policeman, J. D. Tippitt, was killed while capturing the accused assassin. On that same afternoon a native of Texas, a long time leader in our government, Lyndon B. Johnson, was sworn in as the 36th President of the United States.

For the following few weeks the entire nation was drawn together in mourning for our deceased President and the policeman who died in his defense; prayers for the bereaved families, for the recovery of our governor, and for the welfare of our nation under the new leadership of President Johnson. For thirty days every flag in the United States was flown at half-mast, the symbol of nation-wide mourning.

These four men are shining examples of the patriots who have kept our nation alive and free down through the years. Their courage will long linger to nourish the faith of all who serve that same great land. Their lives might best be expressed in the words written by John F. Kennedy himself in his book, Profiles in Courage:

> "The courage of life is often a less dramatic spectacle than the courage of a final moment; but is no less than a magnificent mixture of triumph and tragedy. A man does what he must - in spite of all personal consequences, in spite of obstacles and dangers and pressures - and that is the basis of all human morality."

To the memory of President Kennedy and Officer Tippitt, and to these great ideals, we humbly and respectfully dedicate the 1964 EAGLE.

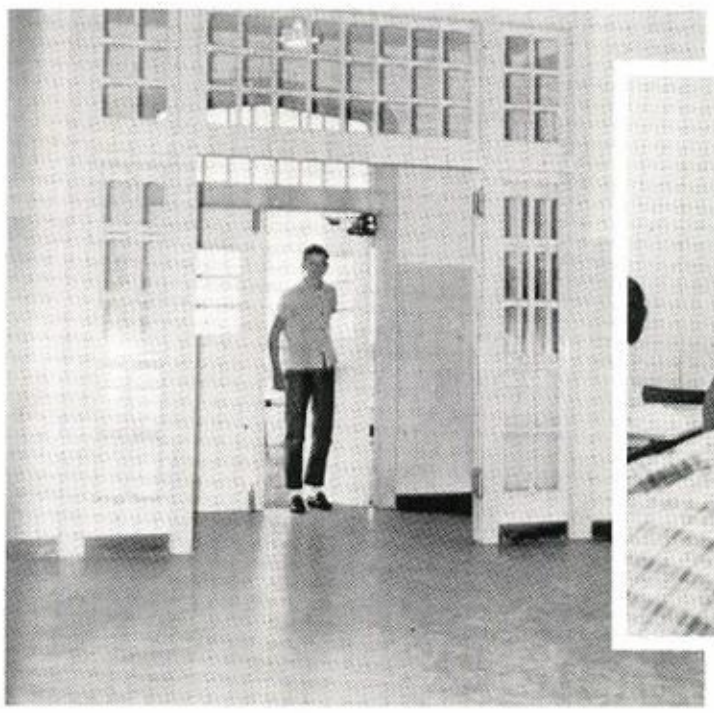
School Is People . . .
And Places . . .

A school consists of many things. School is people: students, teachers, janitors, lunchroom ladies, and, indirectly, parents.

School is new buildings, open doors, crowded hallways, messy lockers, worn books, and freshly painted classrooms.

School is homework and tests, studying and receiving report cards, bulletin boards and the always stuffed suggestion box.

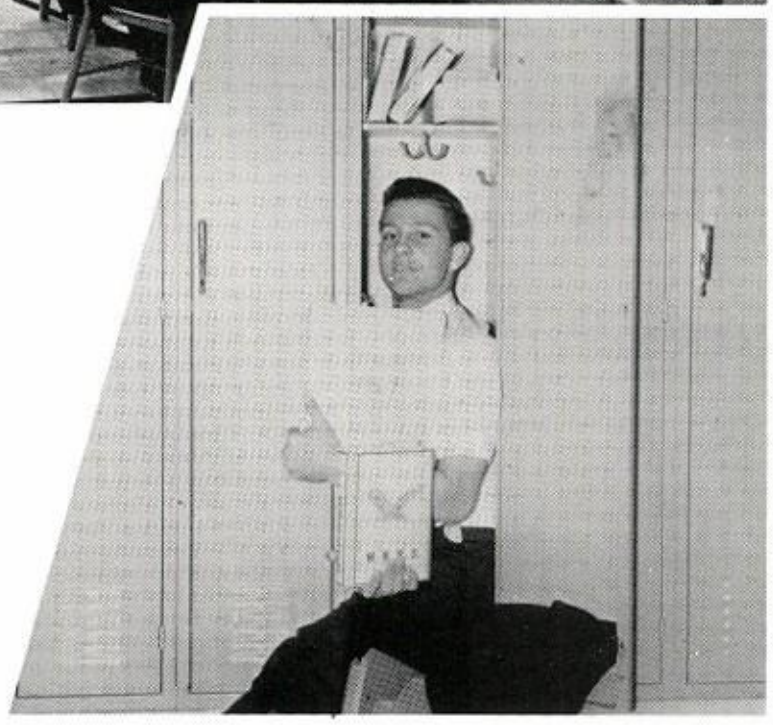
There are more than these - there are parties and football games, bonfires and concerts, plays and basketball games, field trips and graduation.

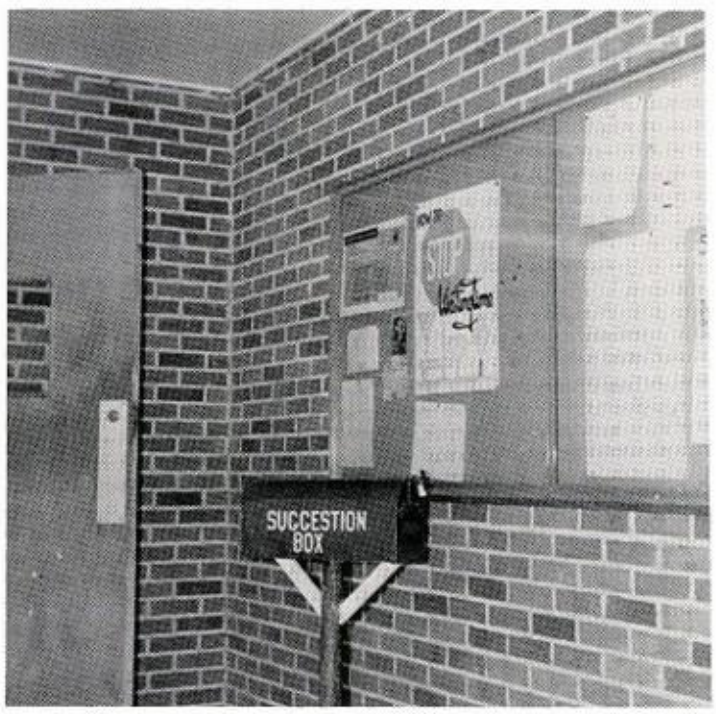


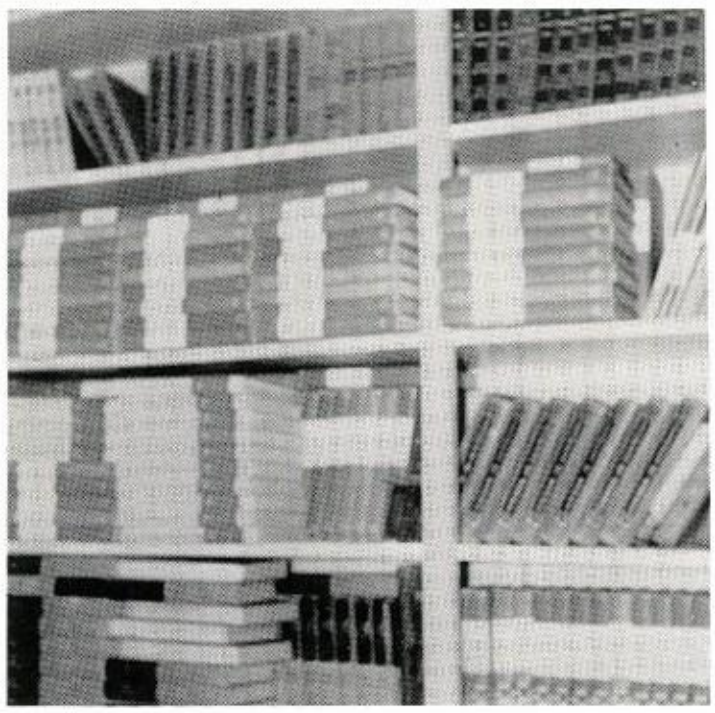
. . . *And Things*

School is the sadness of losing a football game, the joy received from a project well carried out, the pride felt when presented with the Sportsmanship trophy for basketball.

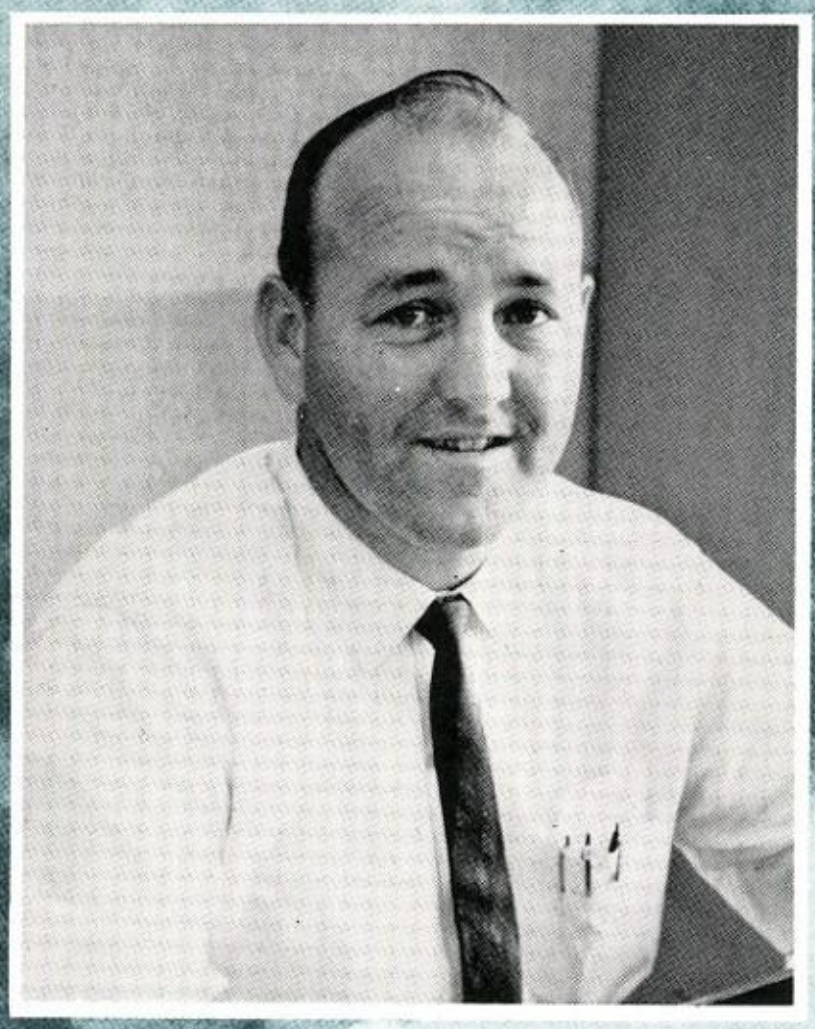
Yes, a school - our school - is many things. But most of all, school is a road - the first stretch down the highway of life.







In Memoriam



Bernie Carroll Leftwich —
teacher, coach, friend.

That best portion of a good man's life —
his little, nameless, unremembered acts
of kindness and of love.

— William Wordsworth

I Am a High School

I am football games, pep rallies, and half time shows.
I am study halls and excuses, play practice and band concerts.
I am teachers, students, homework, and final exams.
I am athletic banquets, club meetings, and assemblies.
I am the desire for a secondary education along with the pride of achievement in special endeavors.
I am the campus on a beautiful spring, fall, or winter day.
I am the old school building which grows more beautiful in the memory of those who crowded its halls as the years go by despite its rather dilapidated condition.
I am bon fires and caravans, Varsity and B team games, and I am homecoming with all its preparation, thrills, and suspense.
I am algebra, English, biology, and all those other courses to choose from that everyone is expected to pass.
I am Junior-Senior Proms and Senior week.
I am trips to San Antonio for the band and Austin, Commerce and Palestine for the track teams.
I am many heartaches, tears, and disappointments; but I am accompanied by many more happy times, honors, and awards.
I am school elections, student council, and the administration.
I am parades, the Drill Team, the Cheerleaders, and the Junior and Senior Plays.
I am tryouts for majorette, cheerleader, drill team, and twirling contests.
I am the FHA, FTA, FNC, FFA, and the Spanish Club.
I am the National Honor Society, Valedictorian, and Salutatorian.
I am the Freshmen, Sophomores, Juniors, and Seniors.
I am parties, banquets, and traditions.
I am empty, silent halls in the summer and confused, bright-eyed Freshmen in September.
I am a warm, humid night in May and the combined tears of joy and sorrow at graduation time.
I am the alma mater and the eagle, basketball and baseball, and I am the interscholastic league contests.
I am the annual, the paper, school favorites, and class favorites.
I am football jackets and sweaters, and I am trophies slaved for and well deserved.
I am many different things to many different people, but to everyone I am a milestone in their road to maturity.
I am a connecting link between childhood and adulthood.
I am the launching pad of future leaders in American democracy. I train the bankers, doctors, lawyers, salesmen, bricklayers, bakers, scientists, engineers, and psychologists of the twenty-first century. I am high school, and to all the students who study herein, I wish success. But with this wish is the charge to always have faith in and serve devotedly your God, your country, your community, and your family.

I AM HIGH SCHOOL

Superintendent

Mr. Mart Hitt has observed steady and rapid progression in the Wilmer-Hutchins school district in his seventeen years as Superintendent of this school district. Mr. Hitt started his educational career at W-H in 1947. He previously attended East Texas State College and received both a B.S. and a Master's degree in School Administration. His membership to Phi Delta Kappa, which basically concerns high scholastic records, proves him to be a most beneficial and capable leader.

Principal

W. T. Garner, who received a B.S. degree from Southwest Texas State and a Master's degree in Education from Texas Christian University, has contributed in his 18 years at Wilmer-Hutchins more than his share of effort to better our school. Mr. Garner, Wilmer-Hutchins High School Principal, faces many difficult and trying problems each day. But he always strives to solve these problems in a way that will be fair and beneficial to everyone concerned.

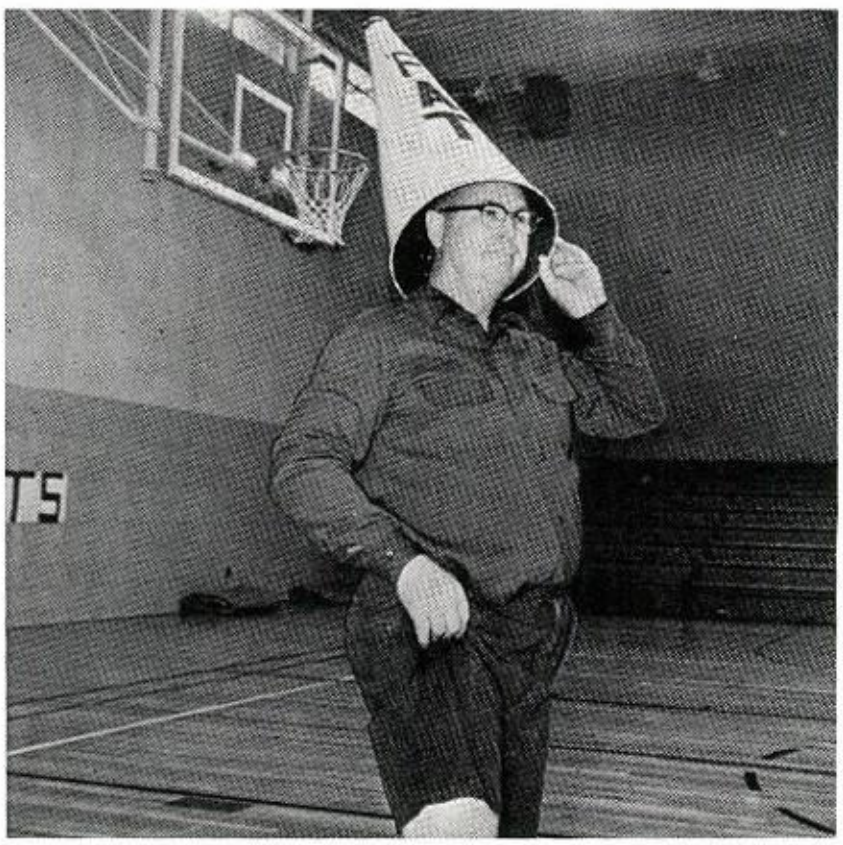
High School Faculty



Tell us, Mr. Campbell, is that a megaphone or a dunce cap? And, does it say "Pat" or "FAT"?

The high school faculty for the '63-'64 school year consisted of twenty-two teachers. This is the largest number of full time teachers in the history of W-H.

Five of these teachers are new to Wilmer-Hutchins. These are: Mrs. Isreal, Miss Shaw, Miss Dyer, Coach Phillips, and Mr. Greer. All five of these teachers were a welcome addition to the faculty.

Numbers 22 for '63-'64

These teachers not only did their work of teaching five classes a day; they also sponsored the various organizations, classes and extracurricular activities. Their many, many hard hours of "over-time" mean a lot to their students. For without these activities that they sponsor for us, a lot of the fun would be taken out of high school.

Who says that teaching is all work and no play???

What Is a Teacher??

Every student has probably asked that very question many times in his school career. Just What is a teacher? That question is best answered in an article found in the January issue of the Balance Sheet, a magazine for business and economic teachers.

Between the innocence of infancy and the dignity of maturity, children fall under the influence of a group of people called teachers.

Teachers come in assorted sizes, weights, and colors. They have various interests, hobbies, religions, and beliefs; but they share one creed: To help each student to reach the highest possible degree of personal development.

The teacher is a composite. A teacher must have the energy of a harnessed volcano, the efficiency of an adding machine, the memory of an elephant, the understanding of a psychiatrist, the wisdom of Solomon, the tenacity of a spider, the patience of a turtle trying to cross the freeway in rush-hour traffic, the decisiveness of a general, the diplomacy of an ambassador, and the acumen of a Wall Street wizard. He must remember always that he teaches by word but mostly by precept and example.

A teacher is Truth with chalk dust in his hair, Beauty with an aching back, Wisdom searching for bubblegum, the Hope of the future, with papers to grade.

A teacher must be steadfast without being inflexible; sympathetic without being maudlin; loving without possessing.

He must do all this while worrying about how to pay his bills, if his lesson plan meets the requirements, if Mrs. Smith will quietly take John's lower grade.

The most amazing thing about a teacher is that he wouldn't trade his job with anyone he knows. He likes to teach.

It's lunchtime and a short rest for our tired teachers.

Cheerleaders Promote School Spirit . . .

The school spirit has been wonderful this year. Each and every student has worked together to support our athletic teams, our organizations, and our school as a whole.

Much of this ever-increasing school spirit was due to the long hours and hard work put in by the six cheerleaders pictured on this page. Their "vin, vigor, and vitality" pepped up our Pep-rallies and led us in heartening yells at the games. But their enthusiasm and school spirit didn't end there. It was displayed all day, every day, in every phase of school life throughout the school year.

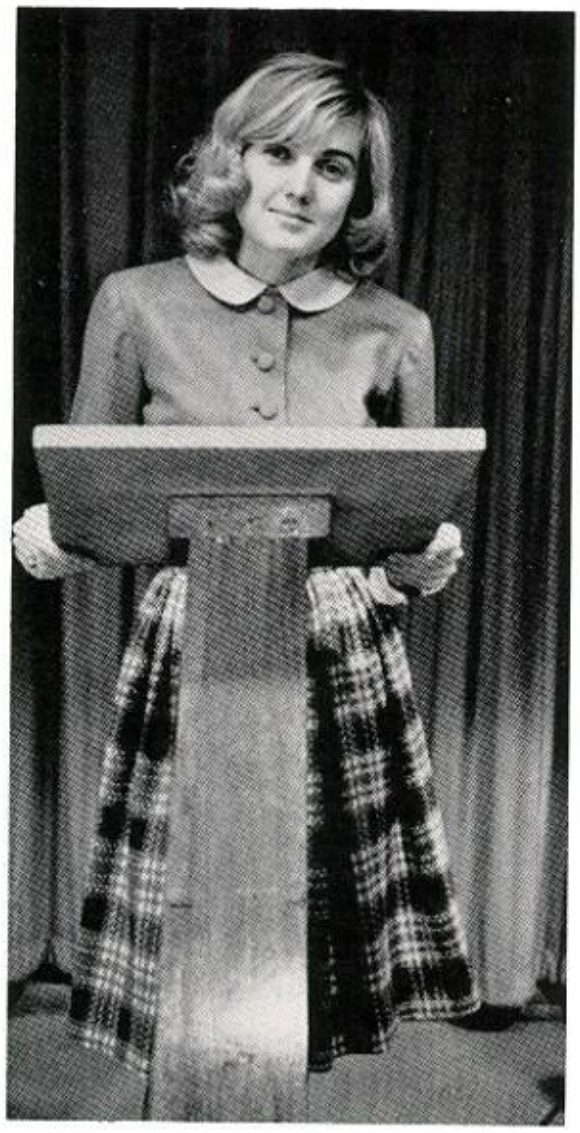
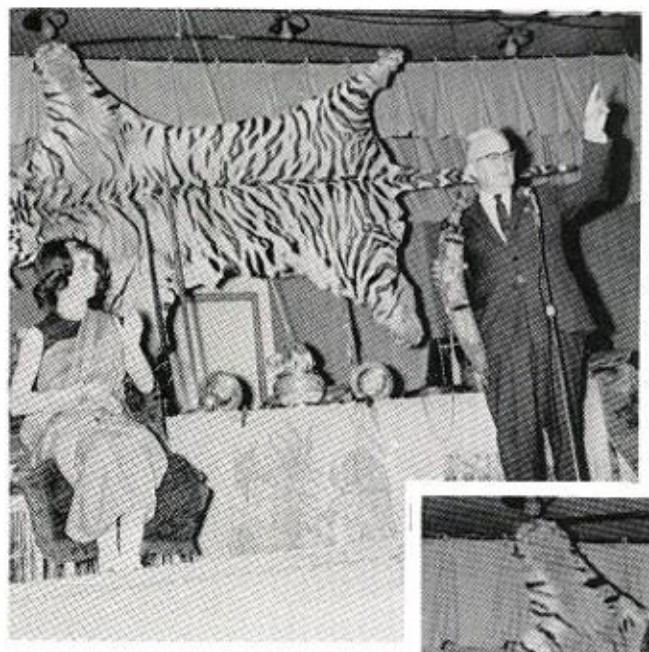
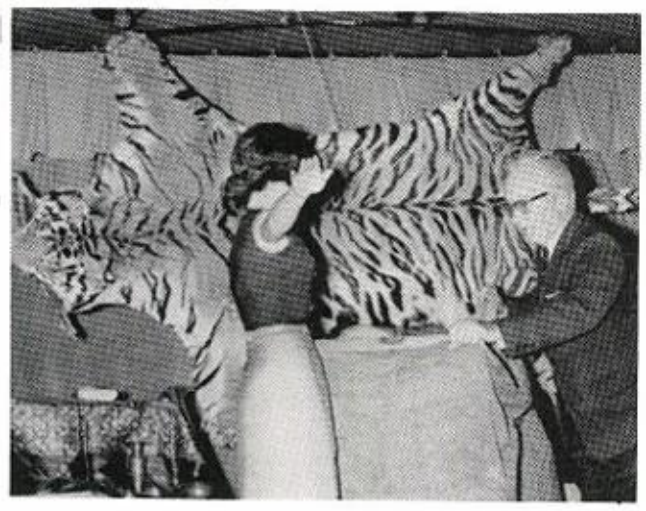
Assemblies Brighten



Remember Anita, the pretty speaker from Holland?



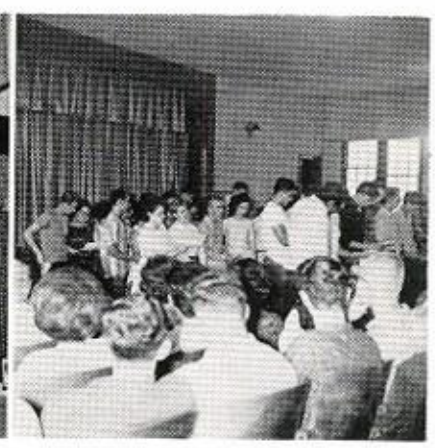
In one of our assemblies, we were told of the many wonders of India.



In this assembly our speaker showed us the Indian sari, modeled by Margaret Jistel.

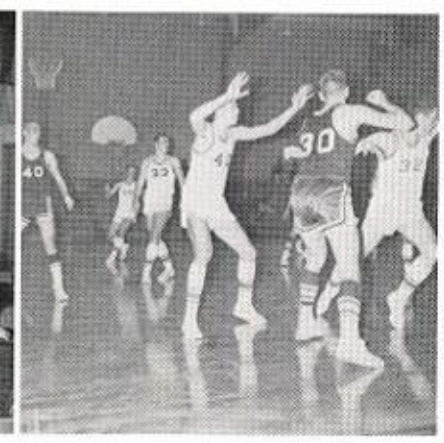
What coult it be but Jr. Hi??

Connie gets "CHARGED."



Remember when the Seniors sang "Graduation Day?"

Homecoming Pep Rally . . . Skits from our Senior play . . . an exciting moment in a game with LANCASTER.

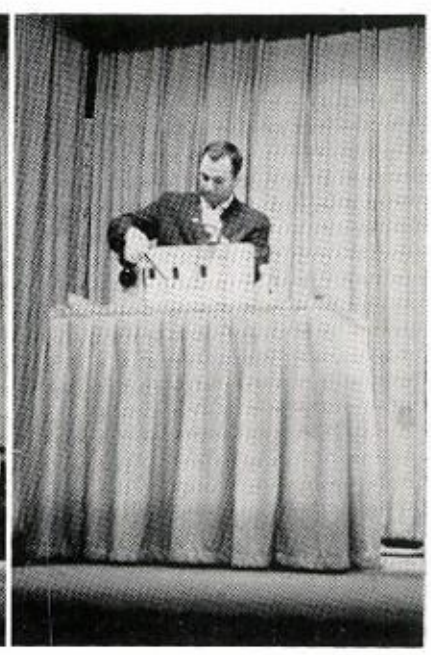


Our School Days . . .

The stage band presented one of the most enjoyed assemblies of the entire year. In this assembly, "Gypsy Rose Jistel" did her famed act.

From this couple, we heard Broadway hits.

And from this lively group, we were presented a "play"???



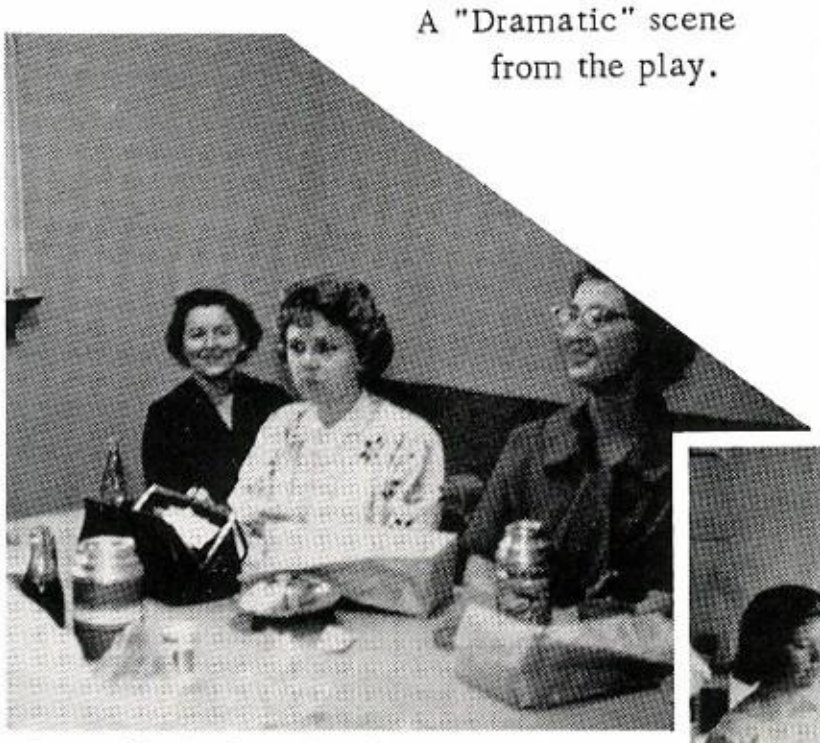
Snapshots . . . Or

Poor Beverly looks so dejected.
Did JoAnn or Linda get her tiger???

Do you remember the "STAG" table at the Favorites Party. They wouldn't let a girl get within ten feet of it!!!

A "Dramatic" scene from the play.

Tell us, girls, just what all is <u>in</u> the punch?



From the look on her face, the joke must have been on Mrs. Duvall . . .

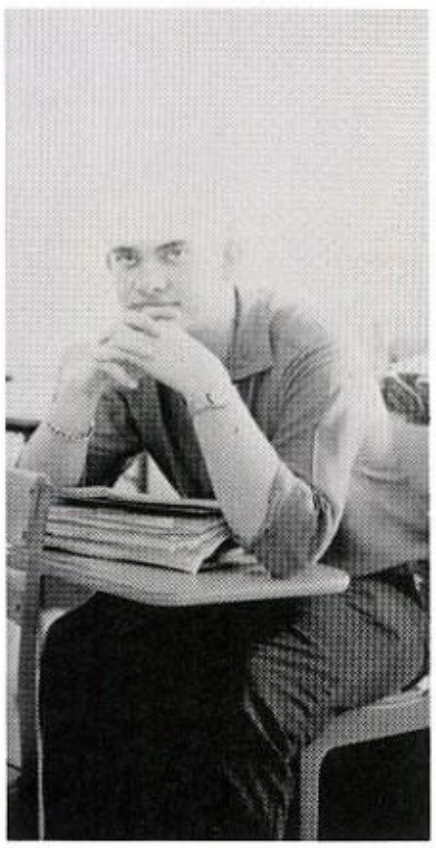
At right you see a group of lovely junior high lasses practicing for their spring assembly.

Are They Shot-Snaps??

Mrs. Rose on one of her first days at school. Believe it or not, she's still smiling!!

These three Senior girls must have been up to something . . .

The band members believe in letting their hair down!!



This is Mark after Beverly removed his thinking cap for thinking about other girls . . .

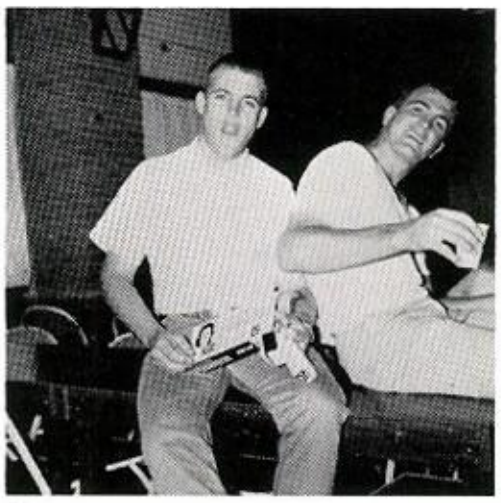
"DUH"

Remember the "playing hands?" They belong to Gayle Brown.

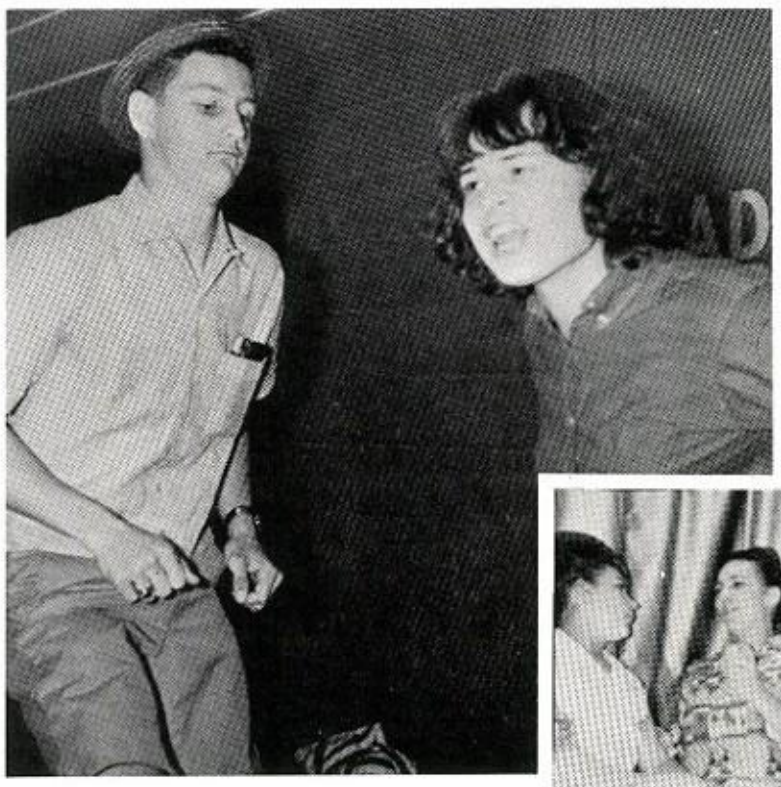
Senior Week . . . Five

"Now what makes her think I'd do a thing like that???"

Volleyball at Cedar Canyon.

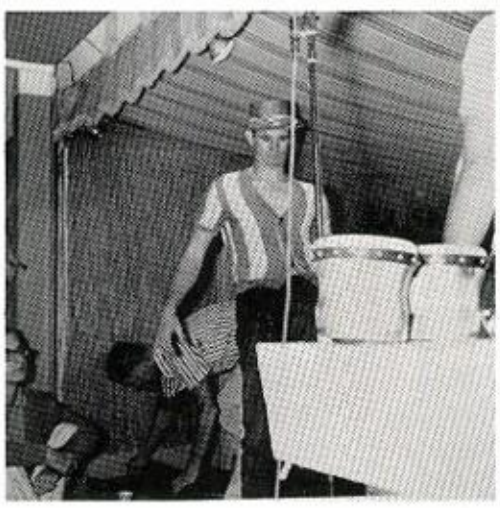


"Aw gee, Gary, please take a picture of us!"



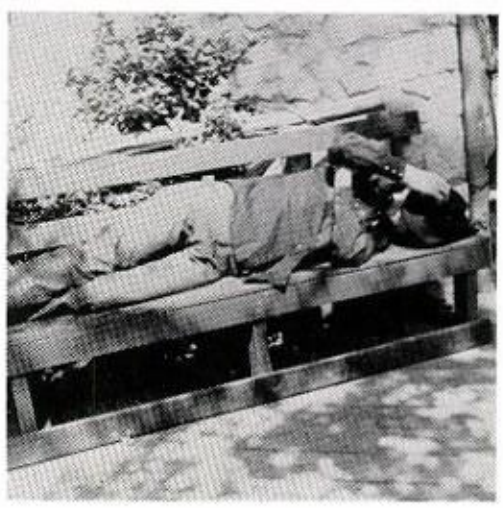
At Sandy Lakes, we "niggered to Nadine" all night long. Was it really that painful, Jannette???

Remember when we were just lowly Freshmen - the Senior Assembly.



Our Entertainment - or could you call it that???

"Yes, we <u>all</u> have our hankies . . ."



A short nap during a long day - Butch at the dude ranch.

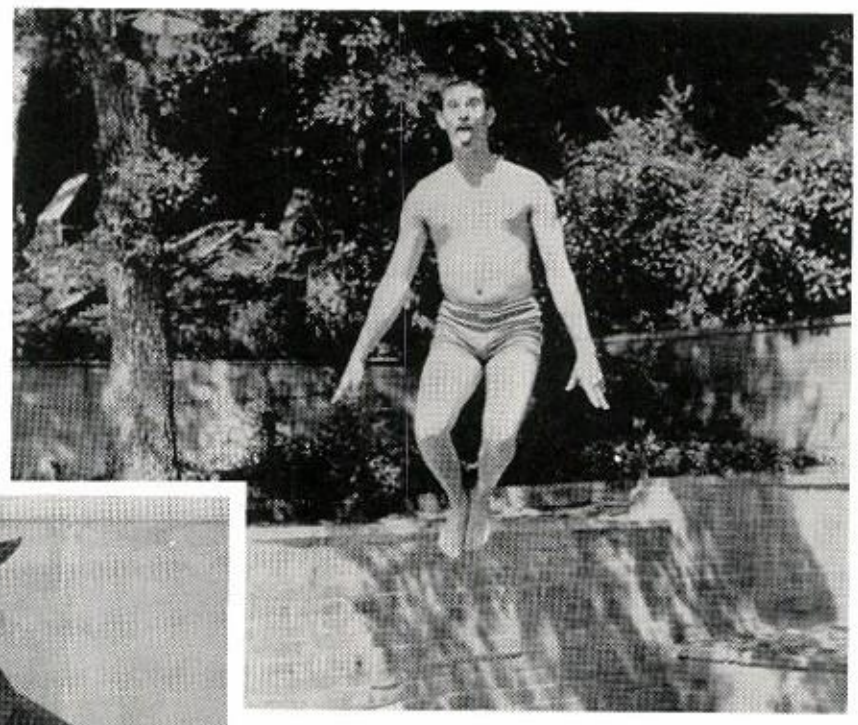
Days to Remember

A memorable moment from the Junior play.

Now do you see why Dallasites call us hicks?

A peaceful moment by the "heated" pool.

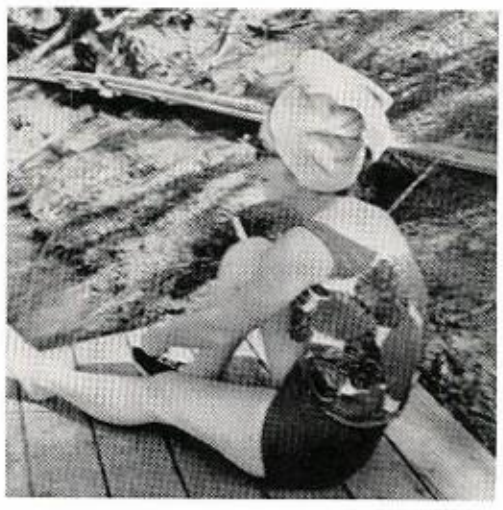
"HEY, LIKE WHO PULLED THE PLUG?!?!?!"



Dracula, Minnie-ha-ha, and Al Capone.
It just doesn't seem to fit . . . or does it???

The breakfast (PTA) was good - and early.

WATCH THOSE CALORIES, SENIORS!

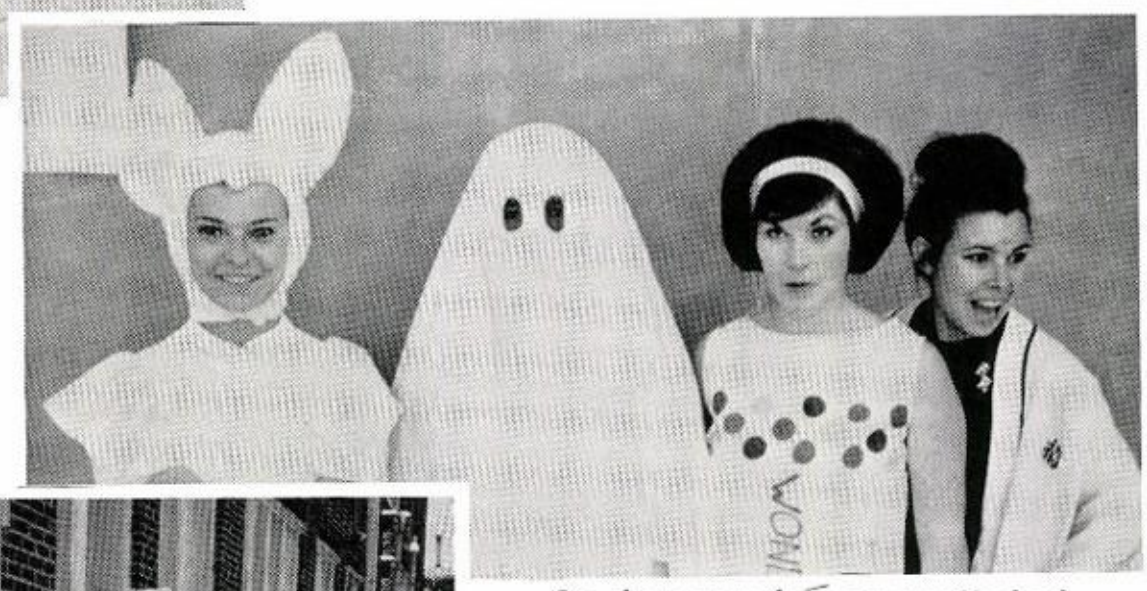


The beauty - or the beast???

Swimming, Dancing, Riding, and

. . . always at the foot of the class.

The paddle boats at the Ranch were quite popular. Careful, don't fall out!

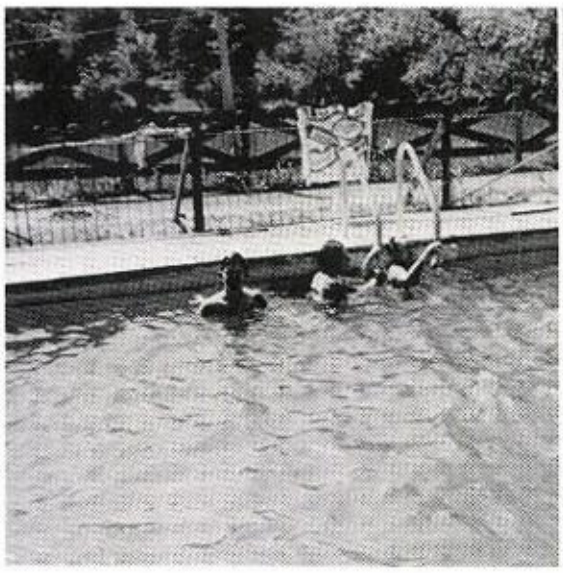


On character day, we really had some characters!!

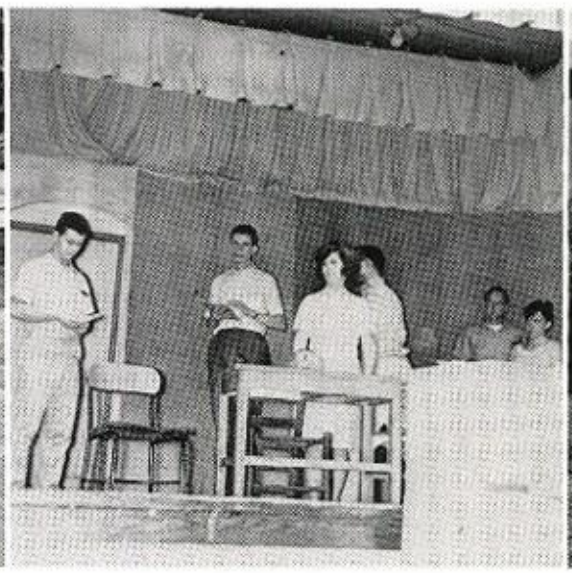
As Mrs. Cummings said, "I never realized how homely some of you people really are!"

. . . and then we sang "MOMENTS TO REMEMBER."

At the Last . . . The Prom!!!



Says Robert, "I thought you told me the water was WARM!!!"



Remember the seance in the Senior Play??

"Let's see . . . who can we throw in the pool NOW?"

Larry presented our Senior sponsors, Mrs. Basnett and Coach Stinson with "a small token of our appreciation."

The night of the prom finally arrived. ABOVE: the Senior Council and Sponsors.

The Juniors not only gave a Beautiful Prom, they supplied good entertainment.

Irving Harrigan helped to make the prom a memorable one.
